Anyone can contact The Children's Hub if they have concerns about a child's welfare or safety.

When The Children's Hub is contacted, the child's needs will be assessed against the threshold document 'Providing the Right Support to Meet a Child's Needs in Hartlepool and Stockton-on-Tees'. When we have consent or where our rules or the law allow us to, partners may share information about the child and where appropriate, their family members. This will help us to decide what, if anything, should happen next. This information sharing is particularly important if there are concerns that a child has been harmed or might be harmed in the future.

After considering the information The Children's Hub might decide:

- No further action is necessary
- To refer the child to another agency for support
- To refer the child for an Early Help Assessment
- To refer the child to Children's Social Care for a Social Work assessment.
