

Year 3 Curriculum Coverage Autumn Term

History (Autumn 2):

We are learning about the Stone Age this term. The children will learn about what life was like during this time, including their diet, homes and how they communicated with each other!

Geography (Autumn 1):

In Geography, we are learning about Extreme Earth! In this topic, the children will learn about tornadoes, earthquakes, tsunamis and volcanoes. The children will also learn about the structure of the Earth.

Design Technology:

In D.T we are learning about healthy snacks. This half term we will learn to design and make a healthy sandwich. We will design, make and evaluate our products!

Science:

This term we will be focusing on nutrition and the human body (muscles and skeletons). After half term, the children will be learning about forces and magnets.

Art:

This term, we will be looking at the painting by Hokusai called 'The Great Wave'. We will be focusing on our drawing skills.

P.E:

This term Mr Fox will be working with the children to focus on tag rugby, football and gymnastics.

R.E:

This term Miss Noble will be teaching R.E. The topic will be Christianity. If you would like further detailed information about these topics, please speak to your child's class teacher.

Please follow our school Facebook page and 'x' account to keep up to date with photographs of the children's work! We will also be using Marvellous Me to send positive messages throughout the week. If you have any questions at all, please do not hesitate to catch a member of the Year Three Team – we'll be more than happy to help.

Thank you for your continued support,

The Year Three 😊
