

Year 4 Curriculum Coverage Autumn Term

History (Autumn 2):

We are learning about the Romans this term. The children will learn about why the Romans invaded Britain and some of the inventions that they brought to Britain. We will also look at the importance of these inventions.

Geography (Autumn 1):

In Geography, we are learning about Where in the world is Rome! In this topic, the children will look at geographical features. For example, mountain ranges and rivers.

Design Technology (Autumn 2):

- In D.T we will be making torches. This half term we will design torches, build circuits and evaluate the effectiveness of the product produced.

Science (Whole Term):

This term we will be focusing on Animals including humans (functions of the human body and food chains). After half term, the children will be learning about electricity.

Art (Whole Term):

This term, we will be focusing on drawing. Starting with, drawing portraits and then studying work by Quentin Blake and Charlie Mackesy.

P.E (Whole Term):

This term Mr Fox will be working with the children to focus on tag rugby, football and gymnastics.

R.E (Whole Term):

This term we will be studying Buddhism and then after half term we will be looking at Christianity. The questions we will be researching are:

- Do Buddhists believe and the same thing?
- Do Buddhists celebrate the same thing?
- What is the 'Big Story' of Christianity?

Please follow our school Facebook page and 'x' account to keep up to date with photographs of the children's work! We will also be using Marvellous Me to send positive messages throughout the week. If you have any questions at all, please do not hesitate to catch a member of the Year Four Team – we'll be more than happy to help.

Thank you for your continued support,

The Year Four 😊
